

Slab Plus

Mauro Lipparini

La generosa profondità della seduta e l'altezza dello schienale garantiscono un comfort eccellente. E' così che in Slab Plus convivono la linearità rigorosa delle forme e la morbidezza dei materiali che invita al totale relax. Il basamento è in metallo verniciato opaco grigio antracite, tortora, bianco o amaranto. I cuscini di seduta e schienale sono imbottiti in piuma d'oca e rivestiti in tessuto sfoderabile o in pelle.

RIVESTIMENTO:

tessuto

pelle

BASE:

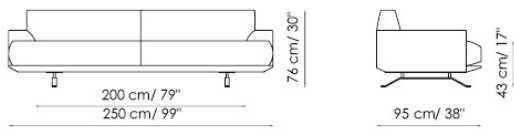

metallo verniciato grigio antracite opaco

metallo verniciato tortora opaco

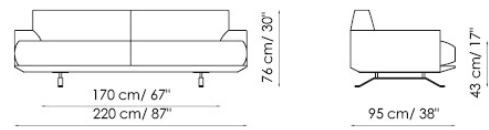

metallo verniciato bianco opaco

metallo verniciato amaranto opaco
